CAN YOU FIND OUR LETTERBOX?

Z		H
26		8

If you want to find our box, here's what you must do...
Each step will bring you closer to a box that is blue.

Y		I
25		9

A number is the result of each of these clues.
Change each number to a letter, we do not mean to confuse.
The result will be five letters that spell a last name.
Where his **J FIC** book would reside should be your aim.

X		J
24		10

Clue #1: Go to the 2009 World Book Encyclopedia. What volume number would you use to research termites? _____

W		K
23		11

Clue #2: Go upstairs to the Circulation Desk. Tell them there is a book on hold for you. When they ask your name say: "My name is William Cullen Bryant." _____

Clue #3: Go to back to the Children's Room. Search the biography section for a purple number. The number is visible without moving anything. _____

V		L
22		12

Clue #4: Go to Kazumi's Garden and count how many Curious Georges you can find. _____

U		M
21		13

Clue #5: Look up the Sammy Keyes series in the OPAC. How many letters are in the author's full name? _____

T	S	R	Q	P	O	N
